

Yamato Group Overview of Consolidated Results

(3rd Quarter of Fiscal Year Ending March 2021)

YAMATO HOLDINGS CO., LTD.

February 1, 2021

1. Financial Results for the Third Quarter 2021/3 (Overview)

● Consolidated Results for the First, Second and Third Quarters (Cumulative):

Achieved growth in both revenue and profit

Consolidated operating revenue : 1,295.6 billion yen (+68.4 bn yen, + 5.6% year-on-year)

Consolidated operating profit : 89.7 billion yen (+40.1 bn yen, +81.1% year-on-year)

* Excluding the impact of removing Yamato Lease Co., Ltd. from scope of consolidation

- Based on the mid-to-long term management grand design "YAMATO NEXT100", brought together management resources of the Group and reformed the management structure, moving ahead of the starting of the new "One Yamato" structure in April 2021
- With significant changes in distribution structure, such as the further expansion of e-commerce in various industries, responded to the diversifying needs of our customers

< Operating revenue >

- Further improved the usability of "EAZY", while focusing on reinforcing the e-commerce delivery network through collaborations with Yamato's delivery partners
- Provided solutions by combining the management resources of the Group, in order to help corporate clients solve new challenges faced, together with supporting their EC operations

< Operating profit >

- Further improved the accuracy of business volume forecasting projections based on data analysis, optimally allocated management resources, and optimized cost levels by improving efficiency of pick-up & delivery as well as trunk-route transportation

【Reference】 Initiatives in the EC domain

Promoting the provision of "EAZY"

Promoting the provision of "EAZY", a new delivery service for EC, that can be received at a variety of designated locations.

Objective

- Responding to diverse needs of EC users such as more secure non-face-to-face delivery, etc.
- Enhance convenience at EC users side and improve Customer Satisfaction of EC businesses

Features

- Responding to diversifying non-face-to-face receiving needs
- Providing real-time delivery completion notice to customers
- Receiving location can be changed right up until you receive parcels
- Collaborating with external partners for further efficient delivery

Schedule

June 24, 2020	Launched service to ZOZO, Inc.'s fashion shopping site "ZOZOTOWN"
October 1, 2020	Launched service to ASKUL Corporation's daily goods shopping site "LOHACO"
November 19, 2020	Launched service to Mercari, Inc.'s delivery service "Raku Raku Mercari-Bin" for flea markets app "Mercari" ⇒ First introduction to C2C market such as flea markets, etc.
Future Plans	Planning to launch service to Yahoo Japan Corporation's flea market app "PayPay Flea Market" and internet auction platform "YAHUOKU!".

Launch of a new EC product receiving service in collaboration with Duddle

Expanding of receiving points by introduction a service by Duddle Parcel Service Ltd. called "Click & Collect System" to businesses that have introduced "EAZY" and to stores which are pick up points for specified EC businesses. By doing so, promoting a new digitalized receiving services with high convenience.

Merit

EC users : They can receive their parcels on the daily life flows in accordance with a lifestyle.
Stores: Customers who pick up parcels will make additional purchases at the stores and attract new customers.
Immediate service introduction is available without new system investment.

Schedule

August 17, 2020	Began recruiting stores to introduce the "Click & Collect System"
November 24, 2020	Introduced the "Click & Collect System" to approx. 600 stores and launched service . To be expanded the number of stores for pick up
March, 2021 (Planned)	To be launched a function for EC products return
